Subject: **H1N1 / GOJO Supply Update**

We continue to see significant demand for GOJO hand hygiene products. In response to these demands GOJO has invested in a major capacity expansion. This unprecedented investment has resulted in improvement in the availability of some products. Our capacity is growing every week.

Despite our ongoing production expansion, your supplying distributor may experience longer lead times on some products, including PURELL®.

We apologize for any delays. However, we will continue to work hard to serve your hand hygiene needs during this dynamic situation.

Thank you for your continued patience.
