No. 91-91 Heavy Duty Hand Pad Product Specifications

3.0 Use

For heavy duty cleaning. This extremely aggressive pad is ideal for baseboard cleaning of finish build-up. Also good for cleaning grills, griddles and other heavy duty jobs.

4.0 Construction

The No. 91-91 Heavy Duty Hand Pad is constructed of polyester fibers along with synthetic adhesives that will not be notably affected by water or cleaners used in standard maintenance.

5.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

6.0 "Green" Initiative

- Polyester fiber used in our pads comes from 100% post consumer and industrial recycled waste product.
- Water Based Latex Resins are used in the manufacturing process. No phenol-formaldehyde resins are used in our binding process.
- Shipping cartons contain at least 45% recycled material.
- Plant is operating under EPA approved Clean Air Permit.
- In-house water treatment has reduced our waste water flow by 83%.

7.0 Directions for Use

Use with water or cleaning agent for heavy duty cleaning.

8.0 Product Care

To prolong the life of this product it should be rinsed thoroughly after use.

9.0 Size

6 in. x 9 in.
