

SAFETYFLO

Industrial and Kitchen Mats

PRODUCT SPECIFICATIONS

1.0 Description

The Safety Flo mat is an ideal kitchen mat with openings for water and other liquids to flow through and keep the surface dry and slip resistant.

2.0 Properties

Property	Value
Surface Thickness	0.50 in.
Material	1 Piece Nitrile Rubber
Weight	186 oz./sq. yd.
Colors	Black Terra Cotta
Packed	1 per case

3.0 Use

This mat adds comfort and safety to work areas. Water and other liquids flow through the opening on the mat making the surface of these mats dry and slip resistant. Ideal for use in kitchens, bars, food prep areas, waitress stations, dish washing areas, assembly lines and work stations.

4.0 Construction

The Safety Flo mat is constructed of a tough nitrile rubber compound with beveled safety edges and heavy duty construction.

Available in:

- Black - Grease Resistant
- Terra Cotta - Grease Proof styles.

5.0 Labeling

Labeling is to clearly identify product, size, and quantity. Americo brand or private label is available for this product.

6.0 Colors

Black - Grease Resistant
Terra Cotta - Grease Proof

7.0 Product Care

Easy to clean by hosing off and allowing to air dry. A mild detergent and brush may be used for deep cleaning.

8.0 Standard Sizes & Weights
