March 19, 2020

Dear Valued Partner,

Due to the challenges with supplier product allocations and deliveries facing us in these current, unprecedented times, we have made the decision to suspend the promotional pricing included on all products in the March Bottom Line Flyer.

Orders that were entered into our system as of 3/18/20 and any backorders in our system as of that date will receive the promotional price.

Please watch for a new flyer arriving later this spring.

Thank you,

RJ Schinner
