Dear Valued Partner,

In these unprecedented times, R.J. Schinner would like to assure you that we have taken a number of measures to protect the health and safety of our employees and customers.

All non-essential employee travel and visitors on-site have been eliminated, the number of staff within our offices has been reduced, and a focus on social distancing and reduced group gatherings has been established. We have vigorous disinfecting and cleaning cycles in place within our facilities and our delivery drivers have been equipped with disinfectant and cleaning supplies in their trucks for utilization before, during and after their shifts.

The health and safety of our employees and customers is our top priority as we continue to service your needs. Please do not hesitate to reach out to us if you have any questions, or additional concerns.

Thank you,

RJ Schinner
