Gourmet CLASSICS™

CLEAR & BLACK *One-Piece Clamshell*

Our Gourmet Classics containers have an upscale look--classic black bases and crystal clear hinged lids--resulting in higher perceived value and impulse sales. The *one-piece clamshell* eliminates the need to stock separate lids. And a cut-resistant, grid bottom allows juices to drain, and adds stability to the container. A secure lid fit ensures freshness, eliminating spills when transporting. Available in 7 sizes from 13 oz to 43 oz in shallow and deep profile. For use with refrigerated or fresh food items.

Gourmet CLASSICS™

CLEAR DELI-VIEW *One-Piece Clamshell*

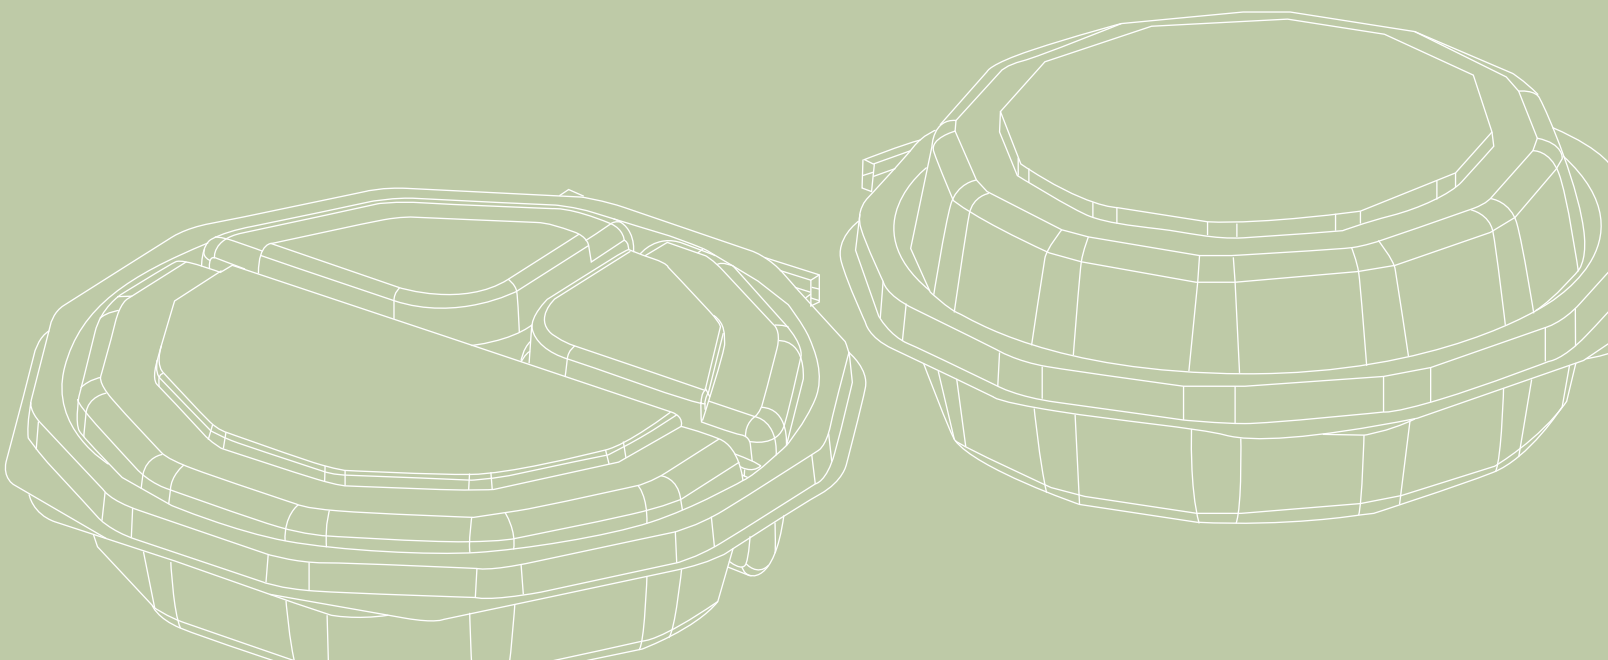

Our DV (DeliView) version offers the Gourmet Classic profile in a top-to-bottom crystal clear container for fresh and chilled foods. The one-piece clamshell design eliminates the need to stock separate lids. A grid bottom allows juices to drain, and adds stability to the container. Crack-resistant, these DV units offer very good frozen and refrigerated performance, and good moisture and oxygen barrier properties.
