

ELKAY ICE BAGS

- Metallocene material excellent for ice bag applications
- Choose from printed or plain bags
- Ice Bags available on wicket dispenser for fast filling
- Handy drawstring ice bag available

Drawstring Closure

Standard Closure

Elkay has a broad selection of ice bags to choose from. These bags are specially constructed for this demanding application, with many constructed with a special LDPE/Metallocene material that combines outstanding clarity with excellent impact strength and abrasion resistance. Ice bags are available both printed or plain, and special configurations such as drawstring closure and convenient wicket dispensing are available. So when the heat is on, keep your cool with Elkay Ice Bags.

Item #	Size	Material	Gauge (Mils)	QTY/Case
