

TOTAL SOLUTIONS DESIGNED FOR BEHAVIORAL HEALTH

LTX™ Behavioral Health Dispensing System

Designed to provide access to infection control hand hygiene solutions where patient and staff safety is critical.

BRINGING TOGETHER INFECTION CONTROL & PATIENT SAFETY

- Specialized solutions allow facilities to place infection control products where needed
- Supports compliance with The Joint Commission's National Patient Safety Goal 15 (Requirement 15A)
- Anti-ligature and non-loopable design reduces potential for patient self-harm
- Available with time-delayed output control to help prevent intentional misuse
- Robust barrel key locking system prevents unauthorized access to refill contents

RECOMMENDED PLACEMENT

LTX™ BEHAVIORAL HEALTH DISPENSING SYSTEM

DURABLE, TOUCH FREE DISPENSERS DESIGNED TO ENHANCE HEALTH & SAFETY

- Anti-fingerprint epoxy coated stainless steel reduces cleaning requirements and provides superior design aesthetics for any facility décor
- Available for use with both alcohol-based and non-alcohol PURELL® Hand Sanitizer formulations, as well as PROVON® and GOJO® soap formulations
- Utilizes the same refill as the standard LTX dispensers, allowing for common refills across the entire facility, regardless of placement
