Healthy Classrooms

A healthy classroom program should include:

**PURELL® Surface Spray**
- Spray down desks at the end of the day
- **Kills norovirus in 30 seconds**
- Food contact safe

**PURELL Hand Sanitizer:**
- When students enter the classroom
- After coughs & sneezes
- After restroom breaks

**PURELL Hand Sanitizing Wipes:**
- Before eating
- After craft projects
- To clean or remove soil from hands and faces

---

Students spend 85% of their day in classrooms, interacting with other students which can lead to the spread of infectious diseases.

The PURELL HEALTHY HANDS CAMPAIGN™ is here to help.

We have combined PURELL products for use in the classroom, lunchroom, and many places in between, with educational resources and lesson plans, aligned to state standards to make it easy to teach your kids how to stay healthy.
**PURELL® Professional Surface Disinfectant**
Kills norovirus in 30 seconds on surfaces.
Tough enough to kill 99.99% of germs on surfaces, including the cold & flu virus, with the highest safety profile for users.

**Uses**
Ideal for eating areas, kitchen/food areas, tables, chairs, rugs, mats, and soft surfaces.

**PURELL ES® Everywhere System Starter Kit**
Puts PURELL Advanced Hand Sanitizer easily within reach from both staff and students.

**Uses**
Mount the PURELL ES® Everywhere System near the front of the school bus to ensure use as students enter and exit the bus.

**PURELL Hand Sanitizing Wipes**
Safe on hands and faces.
Clean Refreshing Scent 40 Count are perfect for work and project areas. They clean and sanitize hands and are gentle enough to use on faces.

**Uses**
Set a canister on the teacher’s desk or near activity centers to easily clean and sanitize hands.

---

**Rapid Kill Time**
PURELL Surface Disinfectant Eliminates 99.99% of germs including Norovirus and the common cold on surfaces.
