Showcase Your High Standards for Cleanliness with The PURELL SOLUTION™
The PURELL® Brand Shows Visitors and Staff That You Care
The PURELL® Brand Delivers Unmatched Peace of Mind

Throughout their visit, people look for signals that you’re providing the best experience possible. PURELL products are universally recognized and trusted as a way to provide fast, effective protection from germs.¹ When you offer proven formulations from a trusted brand, you’re showing that you’re committed to uncompromising quality, which makes patrons feel good about your facility.

The PURELL Brand Communicates Cleanliness

PURELL products project a quality image that extends to you entire operation. In a recent survey, 84% of people were satisfied with the overall cleanliness of a facility with PURELL products.²

PURELL Products Have a Halo Effect

The PURELL brand enhances your image by showing you care enough to provide the very best. 80% of people surveyed had a more positive impression of a facility when PURELL products were available.²

Washroom Maintenance Made Easy

New PURELL dispensing systems and fixtures are designed to accommodate the thousands of uses they get each day in a high traffic facility. They combine luxurious, sustainable soaps that make a great first impression, with reliable dispensing systems that make maintenance easier.

Introducing The PURELL SOLUTION™

The brand that created instant hand sanitizer now offers a complete solution that includes hand soap and surface disinfection products to more holistically fight the spread of germs, and dispensing options that are easy to maintain and fit your style.
PURELL® Dispensing Systems – Designed to

PURELL CX™ Counter Mount Soap Systems

The condition of your restrooms affects how people perceive your business. PURELL CX™ dispensing systems combine high-quality soap with elegant, easy-to-maintain fixtures. This gives you the ability to exceed your guests’ expectations for high quality standards while simplifying your daily tasks.
PURELL ES™ Wall-Mount Hand Hygiene Systems
Enhance the image of your facility with the latest innovations in dispensing. PURELL ES™ Dispensing Systems provide a sleek look, reliable operation, and the efficiency staff members need in a wall-mount system.
With sleek design and finishes from chrome to gold, PURELL counter-mount foam soap dispensing systems complement your facility’s high-end image. A full range of options are available, from simple push-style systems to elegant, top-fill touch-free systems that simplify maintenance. You get reliable performance and luxurious foam soap, formulated specifically for counter-mount dispensing.

**PURELL® Counter-Mount Dispensing; Unmatched Beauty & Performance**

**PURELL CX™ PUSH-STYLE**
Durable and reliable push-style system. No batteries to change.

**PURELL CXT™ TOUCH-FREE for HIGH-TRAFFIC**
All-metal components. Waterproof electronics. Best-in-class durability and reliability.

**PURELL CXR™ FIXTURE TOUCH-FREE TOP-FILL**
Fills safely from the top. Optional service alert module.

**SMARTLINK™ CAPABILITY**

The PURELL CXR REDIFOAM™ System
The Ultimate in Maintenance Ease

- **Maintenance Ease**
  Top-fill design reduces labor time by 57% and eliminates safety concerns.

- **Luxurious REDIFOAM™ Soap**
  Fragrance free or lightly fragranced formulations with essential oils for an unparalleled user experience.

- **Better for You and the Environment**
  Rinses fast and clean, saving about 9 gallons of water per refill compared to regular soap.

- **Clean Seal System**
  Unique, self-preserved REDIFOAM™ formulation helps the dispensing fixture remain clean and clog free.

- **Medical-Grade Connections**
  Maintains an airless fluid transfer with no drips or spills.

- **Commercial-Grade Construction**
  Ultra-durable construction above and below the counter with all-metal components that are built to handle frequent use.

- **Always Ready**
  Foam is created at the point of dispensing, so the system doesn’t lose its prime.

- **SMARTLINK™ Capability**
  Optional plug-in modules for smart system integration.

- **Reservoir**
  High-capacity, puncture-resistant 2L reservoir. Also available in a 1L for space constrained areas.

- **Energy options**
  Multiple power options: hardwire, AC or 4 “D” size batteries.

The PURELL CXR REDIFOAM™ system is ideal for high-traffic facilities. The high-performance, top-fill fixture eliminates the hassle and hazards of removing panels and crawling under counters to change out soap cartridges.

**Under-counter View**
Under-counter panels no longer need to be removed to refill the soap.
The PURELL® ES8 Dispensing System, Hand Hygiene That’s Always Ready

When you choose the PURELL ES8 system, you’re not only getting America’s most trusted hand hygiene brand, you’re getting a revolutionary dispenser design that addresses the two most common service issues — empty dispensers and worn out batteries. Choose new PURELL® Brand CRT HEALTHY SOAP® with CLEAN RELEASE® Technology, and you’re also getting soap that is 95% preferred by users over regular soap,5,6, made with 90% biobased content, and rinses fast and clean to conserve up to 6 gallons of water per refill compared to regular soap.4

AT-A-GLANCE™ Refill Design

We make it easy to monitor product levels with one quick look, saving time and labor, and eliminating complaints about empty dispensers.

Breakthrough Energy-on-the-Refill Technology

Each refill comes with a coin cell battery that’s integrated into the refill. Touch-free dispensing without the hassle of battery change outs.

SMARTLINK™ Capability

Optional PURELL SMARTLINK™ plug-in modules for smart system integration.
PURELL ES4
PUSH-STYLE

Durable and reliable push-style systems. 
Easy to maintain.

PURELL ES6
TOUCH-FREE

Touch-free systems built for reliable performance and maintenance ease.

PURELL ES8
ENERGY-ON-THE-REFILL AND SMARTLINK™ CAPABILITY

Touch-free with energy-on-the-refill plus the ability to add communication modules.

Always a Great Choice
