

A compact dispenser saves more than space. It gives you more time to care.

NEW Scott® Mod* Slimroll* Towel Dispenser System

In a healthcare environment, patients are your priority. Time spent refilling dispensers is time better spent on something else – like infection prevention efforts or sharing a moment with someone in need.

Plus, it can help enhance patient-centered care by providing comfort in the familiarity of the Scott® Brand – one of the world's most trusted brands.
