

*Supporting the Environment*

**SIMPLE EARTH ROLL TOWELS**

The Simple Earth line is made entirely from recycled paper, creating a more environmentally friendly away-from-home solution. Simply put, we believe supporting the environment is important, and would like you to join us in this cause.

## Roll Towels

### KITCHEN ROLL TOWELS

Durable, absorbent perforated kitchen roll towels are excellent for minor spills and messes. Economical choice for any kitchen or restroom. Individually wrapped rolls are conveniently packaged.
