

Tired of hand towels
clogging the toilet?

WE HAVE THE SOLUTION!

Heavenly **Soft**[®]
DIS  SOLVETECH

Lower the risk of drainage pipes clogs: Dissolve Tech is the solution!

A super resistant and surprisingly dissolvable tissue that, once used, can also be disposed of in the toilet, where it will gradually dissolve in about 3 minutes, lowering the risk of clogging.

Dissolve Tech is ideal for all drainage systems that may suffer from blockages.
