AMBIENCE SOLUTIONS
FOR THE HOSPITALITY INDUSTRY

Flameless Candles • Liquid Wax Candles • Traditional Wax Candles
Weather in a fine dining restaurant or a corner cafe, neighborhood bar or trendy nightclub, attractive lighting does more than illuminate. It enhances décor, reflects personality, enriches cuisine—and most significantly, makes guests want to come back again and again.

In these pages you will find the most comprehensive line of ambience products available to the hospitality industry—our SoftLight® Liquid Wax Candles, Traditional Wax Candles, as well as our state-of-the-art flameless candle collection.

Creating effective, compelling ambience is the smartest way to turn a good meal or event into a great one!
Rechargeable Candle Sets

Our innovative line of Rechargeable LED Candle Sets feature state-of-the-art Flameless Candle Technology – the perfect solution for breezy conditions, high traffic areas and venues with open flame restrictions. They provide convenient, cost-efficient ambience and are stackable to save space.
Rechargeable Candle Sets

Our innovative line of Rechargeable LED Candle Sets provide convenient, cost-efficient candlelight with no flame.

**Recharge**

In just 3 hours, using the EasyStack® charging trays, up to 4 trays (48 candles) can charge simultaneously, using a single power outlet.

**Reuse**

Place fully charged candles in any lamp designed for traditional tealights or votives. Our Amber Flame & Warm White Flame units will provide 15 and 12 hours of performance, respectively.

- The look and feel of traditional candles
- Space saving EasyStack® charging system
- Fully charged in just 3 hours
- 2 distinct candle styles and flame color options available
- Unscented

Real Wax Pillars

Our Wax Pillars add instant ambience to any setting. This real wax, battery-operated line of flameless candles delivers lifelike flicker and glow and a realistic faux wick that creates the illusion of a traditional candle even when not illuminated.
The “Reserved” candle is a perfect way to reserve a table. The “Reserved” mark is printed on both sides and covered with a thin layer of wax to preserve the graphic.
Quite simply, it doesn’t get more real than this! Our Mirage Flickering Flame Candles feature remarkable light-moving technology that creates the ambience of traditional candles. Place these candles anywhere without the risk of lit flames or wax drippings. Available in Real Wax and All Weather varieties.
Mirage Flickering Flame Candles

Mirage Flickering Flame Candles provide the look, feel and glow of live ‘dancing’ flames. The proprietary light moving technology, programmable timer and unprecedented battery run time make this the most versatile ambience product line available today.

- **Moving flame effect**
- **Real wax**
- **Multiple sizes and styles**
- **Programmable timer**
- **Remote control ready**
- **Up to 600 hour run time**
- **Unscented**

### Features

- **Programmable Timer**
  - Enjoy candlelight at the same time everyday
  - Set the candle to turn on at the same time every day for your choice of 1 to 23 hours

- **Warm-White LED**
  - The warmth and color of a true flame

- **Remote Control Ready**
  - Featuring energy-saving technology (remote control sold separately)

- **Unprecedented Battery Run Times**
  - Saves money with fewer battery changes (up to 600 Hours on 2xD cell batteries)

Scrambling to light hundreds of tealights or votives before a major event is a time-consuming and costly inconvenience. With that in mind, we’ve developed the Banquet/Catering Collection. This line features a wide variety of battery-operated products that will answer your event-related ambience needs in a more convenient, safer and cost-effective way.
Banquet/Catering Collection

Providing durable, high-quality, transportable ambience, our Banquet/Catering Collection is a great alternative to low-quality, disposable tea lights and votives. With a 120 hour battery run time, these candles can be used for multiple events before a battery change is needed.

- Durable, high quality design
- 120 hours of burn time before battery replacement needed*
- Battery included
- Replacement batteries available for purchase
- Unscented

* Does not apply to Banquet Flameless Outdoor Pillar #60180-500 Hours/2AA Batteries

With the look and feel of traditional candles, our Wax Filled Glass Lamps are remarkably lifelike and come in a captivating assortment of colors and designs. The battery-powered flicker effect duplicates the look and feel of traditional filled wax candles and features a realistic faux wick, creating the illusion of a traditional candle even when not illuminated.
Wax Filled Glass Lamps

These candles also feature a realistic faux wick, creating the illusion of a traditional candle even when not illuminated and 1,000 hours of ‘burn’ time on 2 AA batteries.

Realistic
Nobody likes a cheap imitation with visible light bulbs. Only Sterno® Flameless Candles feature a patented Realistic Wick Design, meaning they look just like traditional candles, whether on or off.

Battery Operated
All of these candles run on two ‘AA’ batteries, and will provide up to 1,000 hours of candlelight. Simply replace the batteries when necessary, and enjoy these candles for many years to come.

- Realistic faux wick
- Up to 1,000 hour run time
- Assortment of colors and designs
- Batteries not included
- Unscented

Flameless Candle Care

To clean candle, use a soft dry cloth.

CAUTION

• This product is a flameless candle. To avoid fire hazard, do not light the wick.
• This flameless candle is made of real wax. Do not place near any heat source that could cause wax to soften or melt.
• Place the flameless candle on a protective base to avoid wax or oil deposits.
• Avoid contact with water.
• This is not a toy. For decorative use only.
• Failure to insert batteries in the correct polarity, may shorten the battery life or may cause them to leak.
• Do not mix old and new batteries.
• Do not mix Alkaline, Standard (Carbon-Zinc) or Rechargeable (Nickel Cadmium) or (Nickel Metal Hydride) batteries.
• Remove batteries if exhausted or if product is to be left unused for a long period of time.
• Do not dispose batteries in fire.
• Keep batteries away from children. If swallowed, consult a physician immediately.
• Batteries should be recycled or disposed.
