

How to Choose the Right Battery?

Duracell Procell

- * Popular, multi-use, general purpose Alkaline battery
- * 7 Year Shelf Life
- * Each Battery is individually date coded
- * Lasts up to 10 times longer than Carbon Zinc Batteries
- * Designed for intermittent use – since most battery powered devices are used that way.
- * Procell Batteries -Available in Bulk Packaging = Lower Cost per battery

Uses: Flashlights, Hands Free Toilets/Sinks/Towel Dispensers, Parking Meters, Smoke Detectors, CO2 Detectors, Clocks, Radios, Label Makers, Hotel Door Locks,

Solutions Solved: Productivity, Emergency Preparedness, Safety/Security

Common Cell Sizes: AA 24pk, D 12pk, 9V 12pk, AAA 24pk, C 12pk, 6V Lantern

Duracell Ultra Advanced

- * Premium battery for high tech, medium drain devices
- * The best battery for everyday use
- * Up to 30% better than competitive alkaline
- * Up to 20% better vs. Lithium in low/medium drain devices

Uses: Digital & flash cameras, Test Equipment, Wireless Microphones, Label Makers, Laser Line Levels, Scanners

Solutions Solved: Productivity, Emergency Preparedness, Safety/Security

Common Cell Sizes: AA 4pk

NiMH: Rechargeable:

- * For use in **High** Drain Devices
- * Lasts 3 to 4 times longer than standard alkaline battery
- * Good for Hundreds and Hundreds of charges
- * Available in **Pre-Charged** and **Non Charged** Rechargeables
- * 15 Minute and Mobile Charger Available

Uses: Digital Cameras, Test Equipment, UPS Scanners, GPS, Two Way Radios

Solutions Solved: Environmentally Responsible, Productivity, Emergency Preparedness

Common Cell Sizes: AA 4pk, AAA 4pk, AA Precharged 4pk, AAA Precharged 4pk

Chargers – 15 Minute Charger, Mobile Charger

Lithium Ion Power Peripherals:

- *Recharges through USB Port on a computer
- *Internal Lithium Ion Battery – can be recharged 100s of times.
- *Compatible with all mini-USB phones , Blackberry, and Apple Products
- *Can recharge and store power simultaneously

Uses: customers who need instant and constant power and communications

Solutions Solved: Productivity, Emergency Preparedness

Chargers - Instant Charger, Powerhouse Charger
